Between

Between
Poetry
Painting

i cant remember if i actually **wrote** to say all i meant too
- i sent off yr packet of truly surprisn concrete to jasia
say yasha reichardt the gurls whose arranging the **between
poetry & painting** at ica (is institute of contemporary art)
she is having awful time getting stuff ready for 22nd - shall
be there 21st w/ furnival & rest of gloster poets - what she is
using & how i havnt heard - also havnt heard last few weeks
from cavan -- theres this bluenose fuckup over the golden
convolvulus the **nonconcrete** dave cunliffe of poetmeat put out
& police siezed all his addresses & stocks & cavan i think has
been organizing defence & being useful - why we still have to
be martyrs 1965 i cant imagine - in a way im sorry i sent **every**
thing to jasia as we wanted to have some in the current no of
link the glostershire mag - its awful neglecting you like ive
been doing - ive been a slave to this bludy literary revision
of the jerusalem bibel -- & still am -- geo bowring (imago)
you must know canadaly - heard y/day **image** had folded over here --
in canada dyou know marshall mccluhan? - his books have big
influence on especially furnival -- cor bougre - just looked
up address - he is yr neighbour - 29 wells hill toronto-4 -
like photography liberated art from having to be a reporters
lens -- radio-tv-&c liberates poetry from (& prose from) i mean
ALL communication artwise from being written descriptive report -
so abstract or concrete poetry is cool in mcluhan sense - in
this island are several faces u shld be in touch w/ -- eg bob
cobbing at betterbooks 92-4 charing cross rd - london wc-2
(at home: 262 randolph av - w-9) & he may well be able to
publish you - anselm hoblo (on finnish bbc) friend of nice
chunkyshape canada poet lionel kearns 87 cornwall gardens london
sw 7 -- & above all ian hamilton finley - gledfield farahouse -
ardgay - rossshire - scotland send him stuff for POTH - you see
insect trust gazette? - now d a levy (renegade press) is putting
out polluted lake series from c/o salamon: box-6065 cleveland ohio
the first usa pbd concrete - weve been doin machine poems (semiotic
& other) - anxious to hear all abt mobilepomes - all thanks & luv
this is scrappy letter having just 5 mins to spare -- all best
& keep in touch - esp mike weaver till next june will be apt-2
436 prospect st - newhaven - connecticut usa
luv
